

Autism Resources

Life's Little Puzzle

Our family blog and social media community. We document our experiences and provide resources and links to help others understand what it means to be the parents of children with autism.

Autism Society of America

The Autism Society, the nation's leading grassroots autism organization, exists to improve the lives of all affected by autism by increasing public awareness, advocating services for individuals, and providing the latest information regarding treatment, education, research and advocacy.

Autism Speaks

The goal of Autism Speaks is to change the future for all who struggle with autism spectrum disorders through funding global biomedical research and raising public awareness about autism and its effects on individuals, families, and society.
